EDUCATION	Warwick Business School Ph.D. in Finance and Economics MRes in Finance and Economics University of Warwick M.Sc. in Economics Tianjin University B.S. in Energy and Power Engineering National Chiao Tung University Exchange Student	2023–present 2021–2023 2018–2020 2014–2018 2016
WORKING PAPERS	Foreign Exchange Interventions and Intermediary Constraints. With Alex Ferreira, Rory Mullen, Giovanni Ricco and Ganesh Viswanath-Natraj. Abstract: We examine the impact of foreign exchange interventions in Brazil using detailed data on high-frequency interventions by the Brazilian central bank from 1999-2023. Our analysis shows that unanticipated spot sales of USD reserves lead to domestic currency appreciation and reduced deviations in covered interest rate parity. Spot interventions have a stronger effect than swaps, especially at times of global intermediary constraints. These results suggest that providing dollar liquidity lowers USD borrowing costs in foreign exchange markets, enhancing efficiency. Presentations: Brazilian Central Bank, the CEPR Workshop on Macroeconomic Policy in Emerging Markets, the 2024 RCEA International Conference, the 24th Brazilian Finance Annual Meeting, and the 2024 CEBRA Annual Meeting.	
WORK IN PROGRESS	Foreign Exchange Returns and Capital Control. With Andreas Schrimpf, and Ganesh Viswanath-Natraj. International Illiquidity and Foreign Exchange. With Aytek Malkhozov, Philippe Mueller, and Gyuri Venter.	
TEACHING	Teaching Assistant, Warwick Business School. Research Methodology (M.Sc) Research Methodology for Financial Management (M.Sc)	2023-2024 2023-2024
SKILLS	Programming: Python, Matlab, Stata, R. Languages: Mandarin (native), English (fluent), Spanish (beginner). Others: Latex, Datastream, Bloomberg, WRDS.	
PROFESSIONAL ACTIVITIES	Institute for State-Owned Enterprises, Tsinghua University. Research Assistant Industrial Securities Co., Ltd. Research Intern, Financial Engineering Group	2020-2021 Summer 2019
PRESENTATIONS	2024: 2024 RCEA International Conference London. 2023: Warwick Business School Brown Bag.	
WORK PRIOR TO PH.D	Food Adulteration and Agricultural Trade: The Cost of China Melamine Milk Scandal. M.sc Dissertation, Supervisor: Thiemo Fetzer.
